Global Privacy Policy

Effective Date: 13 February 2026

1. Introduction

This Privacy Policy explains how PopBite ("PopBite", "we", "us", or "our") collects, uses, stores, transfers, and protects your personal data when you use the PopBite mobile application, website, and related services (collectively, the "Service").
By using the Service, you acknowledge that you have read and understood this Privacy Policy.

---

2. Data Controller

PopBite acts as the controller of your personal data.

3. Personal Data We Collect

3.1 Data You Provide Directly

- Name
- Email address
- Date of birth
- Preferred language(s)
- Category and mood selections
- Authentication data (via Supabase, Apple, or Google)

3.2 Data Collected Automatically

- Device information
- Unique device identifiers
- IP address
- Session behaviour and app interactions
- Daily usage, category engagement, and streak data
- Crash logs and diagnostics

3.3 Derived Data & Profiles

We generate user profiles based on:

- Category and sub-category selections
- Mood inputs
- Behavioural patterns (reading, swiping, completion patterns)
- Language preferences
- Interaction timing, streaks, and daily habits

---

4. How We Use Your Data

We process your personal data to:

- Provide the Service and personalise your daily Bites
- Adapt content to your interests, categories, and mood
- Enable language localisation and translation
- Manage your account and authentication
- Administer subscriptions and payments
- Improve algorithms, content quality, and user experience
- Detect and prevent fraud or misuse
- Comply with legal obligations

---

5. Legal Bases for Processing

Depending on your region, processing is based on:

- **Contractual necessity:** providing the Service
- **Legitimate interests:** analytics, improvements, fraud prevention
- **Consent:** marketing communications, optional features
- **Legal obligations:** tax, accounting, security requirements

---

6. Automated Decision-Making & Profiling

PopBite uses AI systems to:

- Personalise Bites
- Select, rank, and translate content
- Predict ideal timing and pacing
- Adjust daily content based on mood, behaviour, and interests

Important:

- No automated decisions have legal or similarly significant effects on users.
- Profiling is limited to content personalisation and engagement optimisation.

---

7. Data Retention

We retain personal data only for as long as necessary:

- While your account is active
- For a limited period after deletion to comply with legal obligations
- For security, fraud prevention, or enforcement purposes
- Indefinitely in anonymised or aggregated form (non-identifiable)

Specific retention timelines may vary by jurisdiction.

---

8. International Data Transfers

Given PopBite's global user base, data may be transferred to and processed in countries outside your residence.

Where required by law (e.g., GDPR), we rely on:

- Standard Contractual Clauses (SCCs)
- Data minimisation
- Encryption and secure storage
- Vendor compliance guarantees

---

9. Sharing and Disclosure

We may share your data with:

- Service providers (e.g., Supabase, analytics providers, translation providers)
- App stores (Apple App Store, Google Play Store) for subscription billing
- Regulators or authorities if legally required
- Cloud and infrastructure vendors supporting operations

We do not sell personal data.

---

10. Children's Privacy

PopBite complies with global child-data requirements:

United States (COPPA)

- No collection from children under 13.

EU/EEA/UK (GDPR-K)

- Digital consent age varies by country (13–16).
  Users below this age must have verifiable parental consent.

Rest of World

- Local digital consent laws apply.
- Unauthorized under-age accounts will be deleted.

---

11. Your Rights

Depending on your jurisdiction, you may have the right to:

- Access your personal data
- Correct inaccurate data
- Request deletion
- Object to or restrict processing
- Withdraw consent
- Request data portability
- Lodge a complaint with a supervisory authority

Requests can be made via: **popbite@unibite.app**

---

12. Security Measures

We use industry-standard protections such as:

- Encryption (in transit and at rest)
- Secure authentication flows
- Access control and internal restrictions
- Monitoring, logging, and threat detection
- Regular data protection assessments

No system is completely secure, but we apply reasonable measures to protect your data.

---

13. Third-Party Services

PopBite integrates with third-party platforms for authentication, analytics, translation, hosting, and subscription management.
Users are subject to third-party terms when interacting with those services.

---

14. Changes to This Privacy Policy

We may update this Privacy Policy periodically.
If material changes occur, we will notify users in-app or by email, where legally required.

---
